London, ON, Canada

Passionate about film editing and VFX, I'm eager to gain professional experience. My background includes editing and producing YouTube content and independent projects. I'm a fast learner with a strong work ethic, seeking a challenging entry-level role to develop my skills. In the long run, I aspire to become a Lead Editor or VFX Supervisor.

WORK EXPERIENCES & PROJECTS

Student Projects - While at Fanshawe College (From 2024-2025)
- **VFX Scene –** Produced and edited with multiple moving and lock off VFX shots
- **48 Hour Film Challenge –** Worked with other Students and made a 3-minute film with VFX shots
- **VFX Lock off Film –** A film which focuses on lock off shots with VFX
- **Sample Trailer Edit –** Edited a trailer scene with VFX motion tracking shots and object replacement
- **Sample Commercial Edit –** Edited a Commercial AD sample with Roto and object removal

Content Creator - YouTube Clubjunk (From 2020-2022)
- Created original video concepts to engage my audience.
- Managed end-to-end video production.
- Analyzed data to optimize content and gain subscribers.
- Successfully created sponsored content with brands.
- Stayed updated on video editing software and equipment.
- Achieved significant subscriber growth through consistency.
- Maintained a content calendar for regular uploads.

Freelance Video Editor & Filmmaker (From 2021)
- Created and edited engaging video content for various clients, including promotional videos, short films, and social media reels, using Premiere Pro, Davinci, After Effects.
- Designed and developed visually compelling graphics, posters, and photo edits for promotional and branding purposes.
- Collaborated with clients to deliver tailored content aligned with their vision, resulting in positive feedback and repeat engagements.
